

Qualcomm – Color Imaging Expert

From: "Safae-Rad, Reza" <rezas@qualcomm.com>

I am looking for a color imaging expert (MSc). Specifically, looking for a person who has experience in the following areas:

- Display color management systems
- Color gamut mapping based on 3D LUTs
- GUI-based tool development for display color gamut visualization and manipulation
- Perceptual color enhancement methods and tool development
- Colorimetric calibration of 3CCD cameras

Please let me know if any of your (or RIT) students with the above skill set available to fill this position.

We are located in Toronto.

Thanks and Best Regards,

Reza Safae-Rad, Ph.D., P.Eng.
